EDUCATION

Full-Stack Certification

GA Tech

2021-2022

College Experience

Alabama and App State

2007-2010

High School Diploma

Mount Pisgah Christian School

Graduated 2007

RECENT EXPERIENCE

GA Tech's Full-stack FLEX Programming Boot Camp

Remote / Dec 2021 – Jun 22

Graduated with A+ average learning over 26 different technologies over 6 months. Successfully worked with my fellow classmates on three diverse group projects using GIT, GitHub, Heroku and Slack in an Agile (Kanban) methodology structure. Created a variety of web applications using APIs and developed a passion for programming.

Sales Representative & Section Manager

GA Furniture Mart / Norcross, GA / Mar 2021 – Nov 2021

Responsible for taking care of customer needs, guiding them through the sales process, closing the sale, providing follow-ups, gaining good reviews for the company and managing my fellow sales team to keep up with their sections in the store.

- Sold over \$800,000 in 7 months
- Consistent close rate
- Created lasting relationships with superiors, peers and customers

President & Owner

Mattress Made Easy / Roswell, GA / Apr 2017 - Mar 2020

Responsible for all general management, marketing, sales, merchandising, finance, delivery, and all aspects of the business for its duration. Implemented customer first

- Achieved breakeven just after 16 months as a new startup company
- Outstanding reputation with 5-star customer rating
- Consistent 80% close rate average at 55% average margin
